

Dear Dr. Murphy,

Thank you for the #8 tooth I've been waiting for all my life! Your tooth is absolutely perfect. I've been getting many compliments about your tooth.

My classmates are swallowing their tongues, I guess they never expected such a perfect match. And I can laugh at them without putting my hand over my mouth to cover my teeth. It's wonderful!

I can't thank you enough for your time, patience, knowledge and support. You have been an inspiration! And I can only hope to one day attain your skills. Thank you.

Sincerely Grateful,
Maryam Mary
