

Dr. Murphy,
I wanted to thank you for
the **FABULOUS** Smile. You
are one of a kind. I had a
wonderful experience at
your office. I could not be
happier with the final results.
I knew it was going to be
everything I wanted &
more just after meeting
you for the first time.
You took the time to
make my smile me &
it proves that you are
soo awesome at what
you do. I can not thank
you enough for what

you have done for me
I am truly blessed.
I am sure I will be
seeing you in the future.
Now I want the bottom
done!!

It was much appreciated.

Thank you
Love!
Sally
