Michael - Many thanks for taking such good care of me last week! I really appreciate your tender, conscientious care and I'm alot less fearful than I once was (in the not too distant past!) I also appreciate the family discount Michael. Thanks!

So Happy St Paddy's Day and I sure am sorry this isn't being mailed from Ireland, but hey... Have you ever visited the motherland? I will get there one day, and if you have anything to do with it, I'll also have great teeth! XO
PATTY
